

#348: In Praise of Straps

If you ever have a load of anything in the back of your truck, it is such a relief to know that there's a universal solution to any potential problem with stuff shifting or falling off: a blue strap.

These devices are incredibly strong and versatile. They are inexpensive and easy to use, an amazing bargain. You should buy and install one today, and you'll never have to worry about any load of any type, ever again.
